**Subject: The Annual Implementation Report 2007: the Operational Programme
"Human Resources and Employment", CCI 2007LV051PO001**

Dear Andžs,

Thank you for your submitting the revised Annual Implementation Report for the Operational Programme "Human Resources and Employment" on 24 November 2008 via the SFC 2007 system.

I am pleased to note that our comments of 28 August 2008 have been dealt with and the information has been revised where possible at this stage.

I would like to inform you that the above report can now be deemed acceptable in accordance with Art. 67(2) of Regulation 1083/2006.

I look forward to reviewing the progress made in implementing the OP "Human Resources and Employment" as well as discussing some outstanding issues like applying the flat-rate method in the Annual Review Meeting in the beginning of 2009. We will liaise with you to agree on the suitable time and venue for the meeting.

Yours sincerely,

Santiago LORANCA GARCIA
